IV WELLNESS HUB

SKIN BOOSTERS VIA DERMASHINE

DERMASHINE WITH NCTF
30 mins ·
NCTF contains:
* Hyaluronic Acid (HA) for hydration and plumping
* 55 active ingredients, including:
* Vitamins
* Amino acids
* Coenzymes

This cocktail helps nourish the skin and support collagen production.

$300

DERMASHINE NCTF FACE AND NECK
30 mins ·
Dermashine treatment with NCTF including neck. Numbing cream included

$450

REJURAN TONE-UP BOOSTER

A skin-revitalising treatment designed to support a brighter, more even-looking complexion while improving hydration and overall skin texture.

$300

EXOSOMES
30 mins ·
Stem cell-derived exosomes to a precise depth. These exosomes act as microscopic messengers, carrying growth factors and signals from stem cells directly to your skin layers, prompting older or damaged cells to repair themselves and function like younger skin.Good for acne scars, acne spots, melasma(age spots) , wrinkles.Numbing cream included

$400

NMN
30 mins ·
NMN is a powerful cellular energizer that directly boosts NAD+ levels—a critical coenzyme in our bodies that drops as we age. By restoring this cellular fuel, the treatment wakes up tired skin cells, jumpstarting DNA repair and cellular renewal.

$300

DERMASHINE WITH REJURAN HEALER /SCAR(PLS REFER TO REJURAN PRICES)

DERMASHINE JUVELOOK
PRICE UPON REQUEST

DERMASHINE WITH MELACELL
30 mins ·
Dermashine with melacell: has glutathione, tranexamic acid, amino acids. Helps with pigmentation

$300

Numbing cream included with all treatments unless the patient requests otherwise.
